NOW THEREFORE THIS AGREEMENT IS EVIDENCE that in consideration of the premises and covenants herein contained, and the sum of TWO (\$2.00) Dollars now paid by the Owner to the City, the receipt of which is hereby acknowledged by the City, the parties agree as follows:

1. **Permission to Encroach** - The City hereby grants to the Owner permission to encroach upon that portion of land in the City which is shown outlined in heavy black lines on the sketch attached as Schedule “A” to this Agreement (the “Encroachment Area”) for the sole purpose of erecting a sign in, on or over the Encroachment Area, in accordance with the Sign Bylaw (the “Sign”).
2. **Fee for Use** - The Owner agrees to pay to the City, upon execution of this Agreement:
 - (a) a fee of \$10.00; and
 - (b) a fee of \$1.00 per year of the Term, payable in advance, collectively as a fee for the use of the Encroachment Area.
3. **Term** - This Agreement shall be for a term of ten (10) years, commencing on _____, 20____ and terminating on _____, 20____ (the “Term”).
4. **Deposit** - As security for the due and proper performance by the Owner of all of the covenants in this Agreement and for the removal of the Encroachment, the Owner shall deposit with the City a security deposit (the “Deposit”) in the form of cash or an irrevocable letter of credit in the amount of \$ _____. The Owner agrees that the City may use the Deposit to pay the costs of the City in making repairs to the Sign, removing the Sign, restoring the Encroachment Agreement and covering any other costs of the City arising out of any breach of this Agreement by the Owner.
5. **Acknowledgment of Highway or Public Place** - The Owner acknowledges and agrees that the Encroachment Area is a highway or a public place and that the City has limited power to authorize the private use of highways and public places. The Owner further acknowledges and agrees that any rights granted by the City to the Owner by this Agreement are not exclusive and are subject to the public’s right to pass and repass and that the City has full authority pursuant to this Agreement to require the removal of the Sign from the Encroachment Area, at any time, in accordance with this Agreement, without compensation to the Owner.

6. **Construction and Maintenance** - Prior to constructing or erecting the Sign, the Owner shall provide to the City detailed plans and specifications showing the intended location of the construction of the Sign.
7. The Owner shall at all times keep and maintain the Sign and the Encroachment Area in good and sufficient repair to the satisfaction of the City.
8. Notwithstanding prior approval of any work, the Owner shall give written notice to the City of its intention to perform any construction, maintenance or repairs to the Sign not less than three (3) clear days before the beginning of such work unless otherwise authorized in writing by the City.
9. The Owner shall use all reasonable efforts to cause a minimum of obstruction and inconvenience during the construction, operation, maintenance or repairs of the Sign, and shall place and maintain such warning signs, barricades, lights or flares at or near the site of any work in progress as well give reasonable warning and protection to members of the public.
10. Except as expressly authorized in writing by the City, the Sign shall be constructed in such a manner as not to interfere with any existing municipal utilities. In the event that the Owner is authorized to interfere with existing municipal utilities in or in the vicinity of the Encroachment Area, the Owner shall, upon written notice by the City, reimburse the City for all sums expended by the City in altering such municipal utilities, as requested, as determined in the sole discretion of the City.
11. The Owner shall provide, if requested by the City, as-built plans of the Sign within one (1) month of completion of its construction.
12. **Relocation** - If any highway or public place under, on or above which any part of the Sign is constructed is required for the installation of municipal utilities or other highway or public purposes such that the removal or relocation of the Sign or a portion of the Sign, is in the opinion of the City, required, the City may give the Owner notice and the Owner shall forthwith after receipt of such notice remove or relocate the Sign or the portion of the Sign affected, all at the sole expense of the Owner.
13. **City May Enter** - The City by its authorized agents or employees shall have the right at any and all times to enter into and upon the Encroachment Area for any purposes whatsoever.
14. **Indemnification** - The Owner shall indemnify and save harmless the City from and against all actions, proceedings, claims and demands by any person and shall reimburse the City for all damages and expenses caused or contributed to by the negligence or other default of the Owner in respect of anything done pursuant or ostensibly pursuant to this Agreement including without limitation the construction, operation, maintenance and repair of the Sign.

15. **Notice** - Any notice required or allowed to be given under this Agreement shall be deemed to have been given to the party to whom it is addressed if it is mailed in British Columbia, in a prepaid envelope addressed to the address of the party as set out on page one (1) of this Agreement and any notice, demand or request so given shall be deemed to have been received and given five (5) days after the date of mailing. Alternatively, any notice under this Agreement may be delivered by hand and shall be deemed to be received upon the day of delivery.
16. **Insurance** - The Owner covenants and agrees with the City that the Owner shall maintain at its sole expense comprehensive general liability insurance providing coverage for acts or omissions by the Owner, its employees and agents in the amount of not less than \$2,000,000.00 per occurrence, all inclusive, and the insurance policy shall:

 - (b) be issued by an insurance company entitled under provincial law to carry on business in British Columbia;
 - (c) state that the policy:
 - (i) applies to each insured in the same manner and to the same extent as if a separate policy of insurance had been issued to each insured; and,
 - (ii) cannot be cancelled, lapsed or materially changed without thirty (30) days written notice to the City;
 - (d) be maintained for a period ending twelve months after this Agreement is terminated; and
 - (e) not include any deductible amount greater than \$5,000.00 per occurrence.
17. **Copies of Policies** - The Owner shall provide the City with a copy of the required policy upon demand and shall thereafter provide copies of any amendment to the policy.
18. **Replacement Insurance** - In the event the Owner fails to maintain insurance as required by this Agreement, the City in its sole discretion may, after seven (7) days notice to the Owner, obtain such insurance in whole or in part. If the City obtains such insurance, the Owner shall reimburse the City for the cost of that insurance within fifteen (15) days of receiving written notice to do so from the City. If the Owner fails to reimburse the City as required, the City may use the Deposit for this purpose and require the Owner to forthwith replenish the Deposit to its original amount.
19. **Survival of Terms** - The indemnification, release and insurance obligations of the Owner under this Agreement shall survive any termination of this Agreement in relation to any event first arising or commencing on or before the date of termination of this Agreement.

20. **Termination** - the Owner understands and agrees that the City may at any time, in its sole discretion, withdraw the rights it has granted herein to the Owner by giving five (5) days notice to the Owner in writing. In the event of such withdrawal, for any cause or reason whatsoever, the Owner shall, at its own expense, within such time as may be specified by the City, remove the Sign and fill up any excavation made, constructed or maintained with respect to it, and otherwise restore the Encroachment Area to its original state to the satisfactory of the City.
21. **Removal of Fixtures and Chattels** - If the Owner fails to clear the Encroachment Area as required under this Agreement, the City and its agents may remove all fixtures, chattels, improvements, personal property and all other things on the Encroachment Area. The District may apply the Deposit or part of it to the cost of such removal and any deficiency will be a debt due and owing to the City by the Owner upon receipt by the Owner of the City's invoice for the deficiency.
22. **Release** - The Owner releases and forever discharges the City from all manner of claims of any nature whatsoever which may arise by reason of any act or omission of the City pursuant to this Agreement.
23. **Compensation** - Notwithstanding any provision of this Agreement, the Owner shall not be entitled to compensation for injurious affection or disturbance resulting in any way from the removal of the Sign and, without limitation, shall not be entitled to business losses, loss of profit, loss of market value, relocation costs or other consequential loss by reason of the removal of the Sign or by reason of the termination of the Agreement.
24. **Interest in Land** - This Agreement grants no interest in land in the Encroachment Area to the Owner.
25. **Waiver** - Waiver of any default by either party shall not be deemed to be a waiver of any subsequent default.
26. **Interpretation** - Whenever the singular or masculine is used in this Agreement, the same is deemed to include the plural of feminine or the body politic or corporate as the context requires.
27. **References** - Every reference to each party is deemed to include the heirs, executors, administrators, permitted assigns, employees, servants, agents, contractors, officers, directors and invitees of such party, where the context so permits or requires.
28. **Enurement** - This Agreement shall enure to the benefit of and be binding on the parties and their respective successors and assigns.

29. **Severance** - If any portion of this Agreement is held invalid by a court of competent jurisdiction, the invalid portion shall be severed and the decisions that it is invalid shall not affect the validity of the remainder of this Agreement.
30. **Assignment** - The Owner shall not be entitled to transfer or assign this Agreement, in whole or in part, and shall not permit or suffer any other person to occupy the whole or any part of the Encroachment Area, without the written consent of the City. Prior to transferring, assigning, and giving or in any way alienating the Encroachment Area, the Owner shall advise the prospective transferee to become a party to this Agreement in the place of the Owner. Failure to cause the transferee to become a party to this Agreement shall cause immediate termination of this Agreement.
