Applicant Signature: _____ Date: _____

Definitions for Signage

Sign - Shall mean any device, letters, figures, symbols, emblems, or pictures which are affixed to, or represented directly or indirectly upon a building or structure, which identify or advertise any object, product, place, activity, person, organization or business; and which is visible on a street or public thoroughfare.

Sign Face Area - Shall mean the area of the single face of any sign and is calculated by multiplying "a" X "b" as seen in Figure 2-2.

Total Sign Face Area - Shall mean the total amount of sign face area on a sign including all sides.

Awning Sign - Shall mean a sign made from canvas, plastic or similar non-rigid material affixed to a frame and attached to a building.

Canopy Sign - Shall mean a sign consisting of a rigid, multi-sided structure supported by columns or posts embedded in the ground (refer to Figure 2-4(b)).

Directional / Information Sign - Shall mean a sign giving directions, instructions or facility information but not including any advertising copy.

Fascia Sign - Shall mean a sign fastened to or painted on the wall of a building or structure in such a manner that the wall becomes the supporting structure for, or forms the background surface of the sign, and which does not project more than 0.25 metres from such building or structure.

Free-Standing Sign - Shall mean a non-movable sign, not affixed to a building, and which is supported by a pole or similar structure.

Marquee Sign - Shall mean a sign that is mounted or painted on, or attached to an awning, canopy or marquee.

Sign, Portable - Shall mean a portable, free-standing sign, mounted on a wide based frame, with a single sign face area no greater than 6.0 m², which can be readily moved or transported to various locations (refer to Figure 2-4(c)).

Projecting Sign - Shall mean a sign which is wholly or partially dependent upon a building for support and which projects more than 0.25 metres beyond the wall of the building (refer to Figure 2-4(d)).

Roof Sign - Shall mean a sign that is mounted on the roof of a building, or which is wholly dependent upon a building for support and which projects above the point of a building with a flat roof, the eave line of a building with a gambrel, gable or hip roof or the deck line of a building with a mansard roof.

Temporary Sign - Shall mean a removable sign erected for a period of time not exceeding six months.
